Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Tuesday 20 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Thunderstorms easing overnight, but staying muggy. Hot again Wednesday.

This Evening and Tonight:
A very warm evening, with the chance of one or two thunderstorms. These gradually easing overnight. Otherwise staying dry, with long clear spells and feeling humid. Minimum temperature 15 deg C (59 deg F).

Wednesday:
Another sunny, very warm, or hot day, although staying a little less hot along some eastern coasts. The odd thunderstorm remains possible later in the day. Maximum temperature 32 deg C (90 deg F).

Outlook for Thursday to Saturday:
Sunny Thursday and very warm or hot. Less hot Friday, but still largely sunny, before clouding over later. Heavy thundery showers then spreading northeast overnight and Saturday and turning cooler.
